- (11) The Federal Returning Officer will:
 - (a) on the opening date of the ballot forward, or cause to be forwarded, by prepaid post or otherwise to each Financial Member of the Federation or the Branch, as the case may be, a ballot paper bearing the Federal Returning Officer's signature together with a reply paid return envelope addressed to the Federal Returning Officer at the Federal Returning Officer's address for the purpose of the conduct of the plebiscite;
 - (b) give such directions to voters as the Federal Returning Officer considers necessary;

- (13) A scrutineer will observe a direction given by the Federal Returning Officer during the conduct of the ballot and will comply with a decision given by the Federal Returning Officer as to whether a ballot paper is to be counted as sufficiently expressing a voter's attitude to the question which is the subject of the plebiscite.
- (14) A voter will cast a vote in a ballot under this rule by completing the ballot paper forwarded to the voter under sub-rule (11) in accordance with the directions to voters and forwarding the ballot paper to the Federal Returning Officer so as to reach the Federal Returning Officer no later than the closing date of the ballot.

- (15) A vote cast in the ballot will be informal if the intention of the voter is not clear.

- (17) Provided that upon the Federal Council receiving a request in writing for a plebiscite it may, where the proposal contained in the request in writing for a plebiscite is capable of adoption by it, of its own motion adopt the proposal contained in the request in writing for a plebiscite and the adoption of the proposal contained in the request in writing for a plebiscite means that no plebiscite is required.
- (18) Provided that nothing contained in this rule prevents the conduct of the ballot by the Australian Electoral Commission.
- (19) A decision made by a plebiscite of members will be binding upon all members of the Federation, upon the Federal Council and upon the Federal Executive and except where the plebiscite is conducted for the purpose of rule 87 will remain in force until rescinded or amended by a subsequent plebiscite of members.
- (20) A plebiscite to rescind or amend a decision made by plebiscite or a plebiscite on a question or questions which, if decided in the affirmative, would render such a decision ineffective will not be conducted less than one (1) year from the date upon which the original decision was declared to have been made.
